Public sector, Easy to reach for

2.000 billion euro awarded to Enterprises, SOHO, SME

Do not think that only huge or multinational companies win public contracts. Reality is much different. In fact, the majority of public tenders are awarded to SME.

Municipalities, CPAS (Public Social Assistance Centre), ASBL (non-profit-making organization) and other public authorities publish thousands of tenders, numerous and varied : any type of work, supply of chocolate, fruits, flowers, computer equipment, office supply and services of any type.

Regardless of your industry, starting today seize your opportunity like our clients, and take your share in this profitable and growing market! Under your subscription, Govex helps you find an answer to all your questions during the writing of your offering statement.
